You never know when an emergency will arise, so being prepared in advance can make all the difference in your outcome. These homeopathic remedies have been specifically chosen with the most common ailments and injuries in mind. Homeopathic remedies are safe, non-toxic and have no side effects. Each kit comes with six individual remedies in a small, convenient carrying case, and instructions for use. Don't be caught without one.

(Kit style may change without prior notice, but the contents will remain the same.)
