

A Timeless Book

Have you ever grieved the loss
of a companion animal or wondered:

- Do animals have a soul?
- Do their souls survive after death?
- Do the ties of love last?
- Will I ever see them again?

Somewhere “just this side of heaven,” at a place called the Rainbow Bridge, these questions and more have been answered by an unlikely lot of memorable characters ~ *pigs, dogs, cats, horses and goats.*

Now, in their own words, they will share with you *their* unique insights on life and death, and what crossing over the Rainbow Bridge means, not only to them, but also to their human survivors. Issues they have faced and speak out about include abuse, accidental death, euthanasia, illness and reincarnation.

Come join Animal Communicator Colleen Nicholson and 38 of her animal clients as they take you on a spiritually uplifting journey past grief, and on into the celestial and eternal worlds of “animal heaven.”

A perfect gift for animal lovers or someone suffering a recent loss.
