Custom-tailored pig capes are available for your pampered pig. Each plush cape is hand tailored to your pigs measurements, and they are made of soft, cozy-warm Polar Fleece and come with a lining of satiny, quilted material. For extra warmth in frigid climates, an optional extra lining of polar fleece is available.

Sturdy pig-harness style buckles snap quickly into place, and an optional button hole can be made for your pig's harness lead ring to slip through, allowing him/her to wear his harness under his cape, but still enjoy the safety of a lead.

Brightly coloured capes help brighten the mood on cold, wintry days, and special features help keep your pig's cape from blowing up and over his head when it's windy, too.

Order your cape today. Your pig will thank you when the mercury drops, the wind howls and the snowflakes begin to fly.
